

YOU ARE MY GOD

Intro: E A/E E A/E

The musical score is written in treble clef with a key signature of three sharps (F#, C#, G#) and a 4/4 time signature. It consists of ten staves of music. The lyrics are written below the notes, and guitar chords are indicated above the staff lines. Some chords include a '7' for a dominant seventh sound. There are also some special symbols like a diamond with a slash and a double bar line with a diamond, which likely indicate a key change or a specific guitar technique.
