

268. THERE'S A NEW GENERATION

There's a new generation, that is seeking Your face

There's a new generation, that is taking their place

Lord, we surrender to Your will let it be done

Come this day, have Your way

Let Your kingdom come

Chorus:

We will rise (We will rise), we will run (We will run)

We will exalt the name of Jesus by His blood we overcome

We will sing (We will sing) we will dance (We will dance)

Come on and celebrate the kingdom of our God

There's a new generation that is running by faith

There's a new generation that is willing to pray

Wind of revival, come and sweep across this land

What a change! With one move of Your Mighty Hand (Chorus)

Come on and celebrate the kingdom of our God (3x)
